

Jet-Print™

a world of colour at your feet

Product Information

Create lasting impressions with vivid logos and designs. Project your image in high-traffic, high profile places such as entrances, lobbies, reception and at point of purchase.

The cost of removing just one kilo of tracked-in dirt from a building can be €1200 or more. A Jet-Print™ mat will not only reduce this cost but will also protect your investment in carpeting, hardwood and wax finished floors.
